

INTERNATIONAL SUSTAINABILITY AWARDS 2025

Dear Team of Biggestleaf Travel,

It is with great pleasure that we confirm your success and congratulate you on your achievement in the International Sustainability Awards 2025.

The objective of these awards is to recognize and celebrate businesses for their innovations and smart practices that are increasing sustainability and reducing negative environmental impact.

After a thorough research and assessment process, Biggestleaf Travel was awarded an International Sustainability Award in recognition of its commitment and drive towards delivering a more sustainable future. We are pleased to announce that Biggestleaf Travel is awarded for its pioneering achievement in launching Southern Africa's first carbon-neutral safari transfer service and for offsetting the carbon emissions of guest bednights, setting a new benchmark for holistic, sustainable, and responsible tourism.

On behalf of the Organizing Committee of International Sustainability Awards, we extend our heartfelt congratulations on your remarkable achievement. It is truly inspiring to see your efforts recognized and celebrated. We eagerly anticipate the exciting promotions of your success in the coming months and sincerely hope to see you among our participants again next year.
